Your Australian business number has been cancelled

Dear Mr CASLEY

We have reviewed the Australian Business Register and Australian Taxation Office information. We did not find any evidence to support that you are carrying on a business.

As a result your Australian business number (ABN) 15 408 652 058 has been cancelled effective **19 October 2016**. If you have an AUSkey associated with your ABN this has also been cancelled.

What you need to do

- If you disagree with our review and are still in business phone us on 13 92 26 between 8.00am and 6.00pm, Monday to Friday and we will reinstate your ABN.
- If you agree with our review you don't need to do anything.

What you need if you phone us

If you phone we need to know we are talking to the right person before discussing your ABN information. We'll ask you for details only you or someone you've authorised would know. An authorised person is someone who you've previously told us can act on your behalf. It will help if you quote your ABN, located at the top of this letter.

Yours sincerely

John Dardo
Deputy Registrar of the Australian Business Register
